Experience

Art Director
SmartFurniture
June 2014 – Present

Responsible for all creative aspects of brand, including management of creative team. Working with marketing and development teams to improve user experience on website, refine online tools related to website, and update user interface. Using data analysis based on user behavior to drive design decisions and test a multitude of experiences.

Visual Designer & Design Director
AREA203 Digital
October 2010 – November 2011 & February 2013 – August 2013

Oversaw all design projects that related to new business within the agency, as Design Director. Collaborated with a small team to concept, create, and implement digital campaigns, websites, events, and printed collateral for a wide range of clients.

Art Director
Pale Dot Voyage
November 2011 – December 2012

Worked with startups to concept, design, and launch digital products, websites, and a book. Additionally, contracted with large agencies to create integrated digital campaigns for large, national brands, like Taco Bell and United Healthcare.

Visual Designer
Maycreate Idea Group
July 2008 – October 2010

Created artwork for numerous ad campaigns, while managing multiple accounts. Fulfilled responsibilities including design and layout, web design, typography, identity design, photography, videography, art direction, project management, and account service.

Education

The University of Tennessee at Chattanooga
BFA, Graphic Design
2004 – 2009

Skills

Photoshop, Illustrator, InDesign, Final Cut, typography, layout, illustration, UX mapping, UI Design, HTML and CSS, sound production, collaboration, enthusiasm, and ping pong.
